Rounded Corner Valance - Diesel Only

Lower Door Assembly - Gas and Gas / Diesel Combo

Lower Door Assembly - Diesel Only

BRAND IMAGE OVERVIEW

Currently all Sinclair Centennial orders will require a site approval. Distributors will need to contact Ron Mrocek - rmrocek@sinclairoil.com, Office 801-524-2744 for site approval.

A Canopy / Valance

All Sinclair Centennial dispensers are required to have a Gilbarco issued rounded corner canopy (valance).

There are two (2) canopies required.

- Rounded corner canopy for gas and gas/diesel combos (Includes **Dinocare** tagline)
- Rounded corner canopy for diesel standalone dispensers (Does not include **Dinocare** tagline)
- Rectangular canopies are not permitted.

B Bezel Door

The bezel door for all Sinclair Centennial dispensers are standard black.

C Lower Door Skirt

Two lower door assemblies are required for the Sinclair dispensers.

- Lower Door for gas and gas/diesel combos dispensers Includes **Dinocare** tagline.
- Lower Door for diesel standalone dispensers Does not include **Dinocare** tagline.

D Side Sheathing

Side sheathing material can be duramax, stainless steel or custom painted white.

- *The preferred image is stainless steel.*

E State Branding Restrictions

- California** Branding requires 1/2 inch text height on fuel type verbiage to meet regulatory requirements.
- Diesel #2 verbiage required for diesel product.
- Upper bezel door graphic must have the verbiage "**GASOLINE**" on the panel.
- Oregon** Branding requires Unleaded Plus, **not** Plus or Super.
- All grades read "**This Fuel Contains 10% Ethanol**", **not** "Up to 10% Ethanol".
- Arizona** Branding requires 1/2 inch text height on fuel type verbiage to meet regulatory requirements.
- Colorado** Branding requires grade to read PLUS, **not** Super.
- See your customer service representative for other state restrictions.*
