PASSPORT® POS OPERATIONS

ENABLE SPEEDKEY DAYPARTING

Your store's most popular items don't always stay the same throughout the day. Coffee in the morning... Pizza at dinner time. When those items shift... Your Speedkey menus should shift too.

HERE'S HOW TO ENABLE SPEEDKEY DAYPARTING ON PASSPORT® POINT-OF-SALE.

Passport 21.03.23.01 HP7				د 🖲	O May 17 11:24 AM	
Safe Drop Transaction	Hot Cold	8				FROM THE CASHIER WORKSTATION:
Envelope: Cash +144.44	Dispensed Dispensed Ca Change Water Maker SINGLE Boiled F ROSE Nuts F Car Wash ReWash P	ak City Propane loodle Lee Cup Lee Pruit Card Postal	1 4 7 0	2 3 5 6 8 9 00 Clear	Cancel	1. Select "Tools" 2. Select "Change Speedkeys" Change Speedkeys
	Price Check F Dispersor Marcu	Paid In Paid Out Loc Acct Paid In	Receipt Search Til Audt	Dept Keys No 5	ele Lock Ind Sign-at	3. The operator can touch and highlight the desired menu. Tap "Enter", and tap "Back" to return to the main POS screen.
Basket Count 1 Total -\$144.44	Lan or	eff Food Network	Control Console	F Teols Safe	Close Til	After it is selected, the POS Speedkey Menu change is immediate, and it will remain in effect until a Cashier changes is again or the Passport system gets rebooted.
		ARCO DER-ROOT				

NOW YOUR CASHIERS HAVE THE FREEDOM TO SELECT THE RIGHT SPEEDKEYS TO MATCH THEIR SHIFT AND MAKE THEIR PASSPORT® EXPERIENCE EVEN MORE INTUITIVE.
