

Passport® Point-of-Sale gives even more flexibility to protect your business –
LIKE RESTRICTING LINE ITEM VOIDS TO SPECIFIC EMPLOYEES.

Minimum Passport Version 20.01 required.

FROM THE MANAGER WORKSTATION:

1. Select "Set Up"

Set Up

2. Select "Store"

Store

3. Select "Security Group Maintenance"

Security Group Maintenance

4. Select the desired Security Group and select "Change".

Change

5. In the system Applications list, highlight – **but do not uncheck** – the box for "Point of Sale".

☒ Point Of Sale

6. In the Applications Functions – uncheck "Void Item" then select "Save" and "Exit".

☐ Void Item

Save

Exit

7. The selected Security Group will no longer have ability to Void Items from a transaction.

JUST ANOTHER SECURITY MEASURE AND TRAINING TOOL TO **KEEP YOUR STAFF AT THEIR BEST.**
