

*If you sell restricted items in your store like tobacco or alcohol- **YOU'LL NEED TO SET UP A RESTRICTION GROUP IN PASSPORT®.***

FROM THE MANAGER WORKSTATION:

1. Select **Set Up**

2. Select  **Store**

3. Select  **Restriction Maintenance**

4. Select  and give the group a name.

5. Enable birthdate requirements along with the appropriate minimum buyer age

6. Select **Customer ID scan preferred for birthdate entry.**

7. Select  and click **EXIT.**

8. Select  to return to cashier workstation.

*NOW YOU'RE READY TO START REGULATING THOSE RESTRICTED ITEMS- **LIKE A BOSS.***
