

Passport Express Lane Self-Checkout makes it easy for cashiers to approve age restricted items like alcohol without ever leaving the front counter. **HERE'S HOW.**

FROM THE CASHIER CONTROL CONSOLE:

1. The cashier control console will alert the employee with a red, flashing alert.

This item needs approval
Hard Seltzer Mango

2. Tap OR

3. Enter your Operator ID & Password if prompted OR scan an Activated Cashier Badge

4. Scan or manually enter a customer's drivers license straight from the cashier control console

5. Once approved, the item is added to the transaction and the customer can proceed.

NOW LET'S RAISE A TOAST TO SELF-SERVICE – **CHEERS.**
