

SELF-CHECKOUT CONTROL CONSOLE CASHIER BADGES

Cashier badges help make Passport Express Lane Self-Checkout even
EASIER AND FASTER TO USE.

FROM THE CASHIER CONTROL CONSOLE:

Instead of always entering operator credentials, the employee can simply scan their cashier badge and proceed. Here's how to set that up.

1. Select **User Options**
2. **User Options** screen: Select **Activate Badge**
3. **Activate Badge** screen: Scan badge
4. Enter operator ID & password
5. Badge will deactivate after sixty minutes of inactivity.

*NOW THAT WAS EASIER AND FASTER RIGHT? **TOLD YOU.***
