

## **Marketing Sales Release** **TLS-450 Obsolescence**

### **1.0 Purpose**

This Marketing Sales Release (MSR) announces the obsolescence of the **TLS-450** console.

### **2.0 Overview**

Due to fantastic adoption of the **TLS-450PLUS**, the **TLS-450** will be discontinued in the 2016 Price Book that is effective February 1, 2016. All customers currently buying a new **TLS-450** console from the factory should transition to the **TLS-450PLUS**.

Existing **TLS-450** customers can consider converting their console to a **TLS-450PLUS** using the **TLS-450 to TLS-450PLUS Migration Kit** (P/N 330020-771).

### **3.0 Schedule**

Effective February 1, 2016, only spare parts and software enhancement modules for existing TLS-450 consoles will be available for sale.

### **4.0 Part Numbers – TLS-450 Factory Ordered**

The following part numbers will be discontinued effective February 1, 2016.

<b>Part Number</b>	<b>Description</b>
860090-100	TLS-450 with Touchscreen and Printer
342001-004	TLS-450 Operating System and ATG Functionality Software

### **5.0 Part Numbers – Spare Parts**

Spare parts, software updates, and iButton software feature upgrades remain available in the 2016 Price Book for the TLS-450. Please contact Veeder-Root Customer Service at [customerservice@veeder.com](mailto:customerservice@veeder.com) or by calling 1-800-873-3313 for questions on spare parts.
