

New Fuel. Same Tough Environment.

Gasboy® Atlas® E85 dispenser for fleet operations

Nobody understands the tough demands of fueling on the city yard or unattended site better than Gasboy. We build the industry's most reliable, rugged dispensers. And now we have an Atlas E85 dispenser specifically designed and UL approved for E85 fueling. It's part of the industry's most comprehensive selection of Gasboy, Gilbarco®, Veeder-Root® and Red Jacket® products for alternative fuels. All from Gilbarco Veeder-Root, your turnkey solution provider for fleet fueling.

Quality means lower costs in the long run.

We use the highest quality materials and craftsmanship to bring you the best, most reliable equipment you can buy. It means you enjoy the lowest total cost of ownership and maximum uptime for the long run.

- Brightly lit brand area and display
- Improved flow-through meter increases reliability
- Heavy duty G90 galvanized frame
- Rigid structural foam bezel for long life.
- Field-proven E85 hydraulics from the Gilbarco Encore® series
- Fully removable door for easier access and service with plenty of room to work
- Removable side and top sheathing in black or customer specified color, or stainless steel side and top panels
- Customizable graphic options on lower door
- Standard 1-year warranty with optional extended warranty

Seamless compatibility delivers hassle-free operation and maximum uptime.

The Gasboy Atlas E85 dispensers have our standard interfaces (RS-485 and Pulse Out) available for compatibility with your existing fleet management system or site controller. Our turnkey Gasboy solutions are designed and tested for compatibility. You get hassle-free operation and maximum uptime.

- Gasboy PLUS
- Gasboy CFN III
- Many 3rd party controllers

Your best choice for consistent image and easy operation.

We offer a variety of models and options. Choose the configuration that best meets your needs and matches your existing fuel island.

- Single front load
- Single side load
- Twin hose front load

Superior support.

Gasboy products are supported by the industry's most comprehensive network of distributors and Authorized Service Contractors. So you enjoy maximum uptime and the lowest total cost of ownership for the long term.

Worldwide leader in solutions for fleet and commercial markets.
