

Fleet PLUS Technical Training Registration Form

Student Name: _____ Company Name: _____

Student Address: _____ City: _____

Email: _____ Student Phone #: _____

Tech #: _____ Date of Class: _____ Location: _____

Service Manager: _____ Email: _____

The cost of each class is \$1500.00 per student. **Classes will start on Monday's at 12:00pm (noon) and end on Friday's at 1:00pm local time to the class location.** Please await confirmation of the course proceeding as scheduled prior to planning travel, do not plan travel more than 15 days in advance of a class. Classes will be cancelled if at least four students have not enrolled and paid for the class 15 days ahead of time. Arrangements will be made to place a tech in a future class should their enrolled class be cancelled. Each student needs to bring a laptop with administration rights, 1 - Flash drive (8 GB), Volt meter, and small hand tool kit. Note: A course agenda is included on the following page.

Statement of Experience (If other circumstances apply, please describe.)

This student has _____ years _____ months of field experience.

The student will complete all required prerequisite courses before the 1st day of class? _____ Yes _____ No

The above listed student has been employed by the company since: _____ Month _____ Year

MSM Approval: _____

2017 Gasboy Fleet PLUS Training Calendar

Please email the completed form to your MSM for approval and enrollment. Once MSM approved and enrolled, you will receive an email with information on how to make your payment electronically for the class via the Gilbarco training web site. Note: Checks are not accepted.

ALL PAYMENTS must be made no later than 2 weeks before the start of class. The pre-course must also be complete prior to attending class.
