

Promote stronger forecourt messaging with the Brand View™ canopy

Branding options for the Encore® series

The Brand View canopy for Encore series dispensers offers customers a new contemporary choice for their dispenser image. The modern Brand View canopy provides a rounded, angular style that increases viewability for your branding message or corporate image.

Modern canopy builds better brand awareness

Build better brand awareness with increased exposure

- > Angled design increases near field viewing by customers from 10-50 feet away while maintaining far field visibility
- > While most canopies are optimized for street viewing, the Brand View is designed for consumers approaching and operating within the forecourt

Enhance curbside image with a clean, modern look

- > Intriguing, eye-catching shape
- > Covers square pump top
- > Solid metal construction highly resistant to corrosion

Canopy choices built to match dispensers

- > Eliminate extra shipping costs – canopies ship with dispensers
- > Matches factory paint and graphics
- > More OEM canopy image selections
 - > Brand View
 - > Oval
 - > Rounded Corners
 - > Square Corners
- > Available as options or retrofits
