by application of the following harmonised standards:
soveltamalla seuraavia yhdenmukaistettuja standardeja:
genom tillämpning av följande harmoniserade standarder:
ved anvendelse af følgende harmoniserede standarder:

EN ISO 12100:2010
EN13463-1:2009

EN 809:1998+A1:2009/AC:2010

EN 13463-5:2011

The harmonized standards have been compared to the standards used for certification and there are no changes in the state of the art.
Yhdenmukaistetut standardit on verrattu sertifiointinissa käytettyihin standardehin siten, ettei niissä ole teknisesti merkittäviä poikkeamia.
Harmoniserade standarder har jämförts med certifieringsstandarder som använts och det finns inte några tekniskt betydande avvikelser.
De harmoniserede standarder er blevet sammenlignet med de standarder, der anvendes til certificering, og der er ingen ændringer i det aktuelle tekniske niveau.
