

Your best path to EMV.
And a successful future.

Gilbarco® Passport® for Canada

The counter of your C-store is absolutely critical to your success. It's where impressions are made, relationships are built and profits are won or lost. Every day challenges you and your employees to present the right products to the right customers in precisely the right way.

Passport gives you the tools to make it happen, with a more versatile loyalty system, smarter marketing options, tighter security and much more. It has the power to optimize every transaction, provide exceptional customer service and manage for the future. Because no other site is quite like yours. And no other system is quite like ours.

Unmatched simplicity provides a shorter cashier learning curve and faster, smoother transactions.

Flexible merchandising features offer industry-leading loyalty capabilities, smarter pricing options and a more versatile promotional structure.

Smart, secure management tools keep you in control with sophisticated remote management and monitoring, detailed transaction logs and comprehensive data backup.

Unbeatable product support maximizes uptime with remote diagnosis and repair coupled with a variety of service options.

Advanced system architecture provides the most reliable, flexible, future-proof route to maintain EMV compliance.

More third-party options enable easy, seamless integration with loyalty programs, kitchen systems and more.

Unmatched simplicity

- > 20-minute learning curve gets new cashiers up and running faster
- > Consistent graphical user interface across multiple sites
- > Smart forecourt integration alerts cashiers to forecourt issues
- > All-touch interface means no switching between keyboard and screen
- > Tip bar and Help features teach cashiers as they work
- > Intelligent display shows buttons only when needed
- > Operates in English or French
- > See It/Touch It buttons eliminate codes

Flexible merchandising

- > Two-level price posting, including different prices for debit and cash
- > Multiple fuel discounting options, including payment type, car wash, local accounts, loyalty-based and cumulative roll-back discounts
- > Mix-&-match and combo pricing with back-office control

- > Automatic best-deal calculation for merchandise
- > Unlimited active promos and PLUs per promo

Smart, secure management tools

- > Searchable electronic journal logs every cashier keystroke
- > Blind balancing can require cashiers to balance the till without knowing the correct balance
- > Up to 99 customizable security roles provide tighter control over permissions
- > Cashier snapshot reports compare performance across cashiers
- > Remote Manager Suite enables web-based remote management

Unbeatable product support

- > Unbeatable site-wide expertise keeps your site running more smoothly
- > Fault-tolerant Enhanced Dispenser Hub dispenses fuel and manages network transactions even after a server failure

- > Redundant hard drives automatically back up system image and transaction data
- > U.S.-based multilingual Help Desk support available 24/7

Advanced system architecture

- > Lasting PCI compliance from the industry leader
- > Validation on all certified networks for maximum flexibility
- > Isolated PA-DSS runs independently from POS
- > Small PCI footprint adapts to future PCI changes
- > Secure printing of full network reports, with all data included

More third-party options

- > Unmatched variety of third-party partners, including loyalty and marketing
- > Modular architecture is more adaptable than proprietary systems
- > Certified partner program for trouble-free integration

Passport Specifications

Hardware:

- > Intel® Pentium 4 2.6GHz (or higher)
 - Socketed processor
 - 400 MHz system bus
- > System Memory
 - 1GB DDR SDRAM standard on PS52 server
 - Upgradable to 2 GB
- > Dual 80GB HD on PS52 server
- > V.92 integrated 56K RAS modem
- > Integrated 52x32x52 CD-RW
- > Tri-fan positive pressure cooling system
- > 300 W Universal power supply

15-inch LCD Touch Screen:

- > Five-wire resistive
- > Dual bulb
- > Integrated stereo speakers

I/O Connectivity:

- > RS-232 ports (2)
- > USB ports (4)
- > PS/2™ Keyboard and mouse ports
- > Parallel port
- > 10/100Mb Ethernet LAN
- > 8-port USB/RS232 Converter (upgradable to 16 ports)
- > Linksys® Ethernet Firewall Router

Environmental Specifications:

- > Operating range: 10°C - 40°C
- > Relative humidity: 20 - 95% non-condensing

Dimensions and Weight:

- > Dimensions: 46.5 cm L x 19.5 cm W x 42.5 cm H
- > Weight: 12 kg

OPOS Compliant Peripherals:

- > Ingenico i3070v4 or ML30 PIN Pad
- > Optional Gilbarco® RFID reader
- > 2 lines x 20 characters customer display
- > Epson® Thermal Receipt Printer
- > Epson Impact Network Journal
- > OKI® Digital LED Report Printer
- > APG Cash Drawer
- > Symbol 5700, LS9208 model, or Honeywell® ORBIT scanner

Gilbarco Forecourt Control:

- > LAN connectivity
- > Fault-tolerant forecourt control
