

Catlow Hanging Hardware Assemblies

Now Available with Gasboy Atlas Dispensers

Why Catlow Hanging Hardware
for Gasboy Atlas Dispensers?

Save installation time with factory pre-assembled, tested hose and nozzle assemblies.

Reduce freight when your hanging hardware conveniently ships together with Atlas dispensers.

3/4" 1" Nozzle

Catlow offers a full line of nozzle to suit your needs.

CamTwist Magnetic Breakaway

Patented technology allows the breakaway to be twisted apart for maintenance & inspection which eliminates the need for a "remove by" date.

Twister Swivel

Provides you with the benefits of both fuel weather compatibility, and has two 360-degree planes of rotation

Part Number	Price Option Name	Hose	Nozzle Color	Breakaway
