

# End of Sale Notification

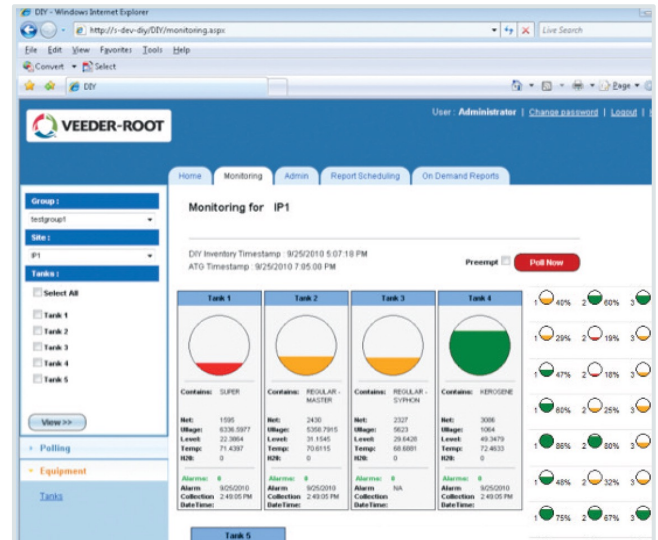

## Inform.NET

### Overview

Veeder-Root is committed to providing the highest quality products and services to our customers. As the world leader in the development of fueling system technology, we view product End of Sale (EOS) as part of the natural cycle that drives technology evolution.

Therefore, we are communicating the end of sale of our Inform.NET web-enabled enterprise software solution **effective immediately**.

Customers with active licenses will continue to receive support from the Veeder-Root Customer Service and Technical Support teams until the renewal date of the license.

### Targeted Market

#### Global Regions

- North America
- LATAM
- EU
- SSA
- MEA
- ANZ
- SEA
- China

### Transition Details

We recommend customers transition to the Insite360 Visibility, which is a cloud-based management dashboard that connects station managers with their critical site operation data.

Visibility provides easy access to fuel station status and equipment problems.

Please contact Insite360 via phone at +1.713.222.5774 or email them at [sales@insite360suite.com](mailto:sales@insite360suite.com).
