Registration Spare Parts Discontinuance

1.0 Purpose

This Marketing Sales Release is notification of the end of production for several EMR3 spare parts. In October 2018, Veeder-Root released the EMR4 as a direct replacement for the EMR3 and at that time EMR3 discontinuance was announced. Veeder-Root has continued a small selection of spare parts for the EMR3, as well as provided upgrade paths to critical spare components.

Additionally, this MSR includes discontinued parts for low volume Mechanical Computers.
