

# End of Life Notification

## Select Standard Mag Probe 2" Float Kits

### Overview

Veeder-Root is committed to providing the highest quality products and services to our customers. As part of the natural cycle that drives technology evolution, Veeder-Root is announcing the **global** End of Life (EOL) for the following Standard Mag Probe legacy products, **effective immediately** due to low sales volume.

### ► Transition Details

The kits listed above were designed for the Standard Mag Probe product line, which is no longer sold. Any Standard Mag Probes will need to be replaced with the equivalent Mag Plus Probe and Float Kit that is appropriate for the application. Please contact Customer Service at [customerservice@veeder.com](mailto:customerservice@veeder.com) for order entry assistance.
