

# End of Life Notification

## Direct Burial Cable Sealant Components

### Overview

Veeder-Root is committed to providing the highest quality products and services to our customers. As the world leader in the development of fueling system technology, we view product End of Life (EOL) as part of the natural cycle that drives technology evolution.

Due to changes from our suppliers, Veeder-Root needs to make changes to several components regarding our Direct Burial Cable System. The affected components include the Direct Burial Cable Sealant and the corresponding Sealant Cartridge Guns.

Example Sealant Gun

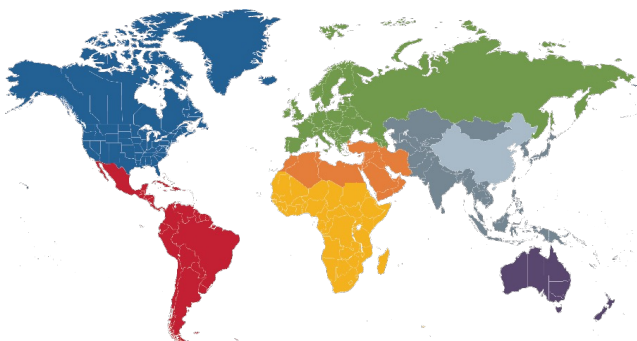

### Impacted Equipment

### Targeted Market

#### Global Regions

- North America
- LATAM
- EU
- SSA
- MEA
- ANZ
- SEA
- China

### Transition Details

The new 20 oz Sealant Packages are known as "Sausage" Packages, and an appropriate Sealant Gun should be acquired for installation (see example sealant gun above). Veeder-Root will no longer be providing Sealant Guns to use with the Direct Burial Cable Sealant. The Sealant Guns needed for the new packages are widely available and should be procured locally.

Part Number	Description	Availability
0848100-801	Direct Burial Cable Sealant, 20 FL. OZ.	Now

New "Sausage" Packages
