

Software Release Version 10.U

TLS-450PLUS and TLS4 Series Consoles

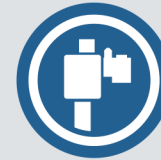

For Immediate Release

Veeder-Root is pleased to announce the availability of **version 10.U software** for the **TLS-450PLUS** and **TLS4 series consoles**. This software upgrade includes important updates to support the **Red Jacket® IQ2 Smart Controller** and enhances **IPC compatibility**.

TLS-450PLUS

IQ2 Smart Controller

Red Jacket® STP

► Software Enhancements & Compatibility

- **Software 10.U** is currently the **minimum version required** for the new **Red Jacket IQ2 Smart Controller**
- With **IPC compatibility**, the IQ2 Smart Controller offers the following features:
 - Enables the TLS-450PLUS to monitor a network of up to 31 IQ2 Smart Controllers
 - Features power consumption insights for each STP connected to the IQ2 network
