

End of Life Notification

Mechanical Computers & Related Components

Veeder-Root is committed to providing the highest quality products and services to our customers. As the world leader in fueling system technology, we view product End of Life (EOL) as part of the natural cycle that drives technology evolution.

Overview

Veeder-Root Mechanical Computers and Electric Resets will reach End of Life on January 31, 2026. All orders must be submitted by this date to be processed.

Important: There is no direct replacement from Veeder-Root for Mechanical Computers. Please see Transition Details for more information.

Please note, due to the discontinuation, we will not accept blanket or partial shipment requests scheduled throughout the year.

Veeder-Root is committed to supporting spare part availability for a period of up to 7 years, or until the parts are no longer feasible to manufacture, whichever comes first.
