

IMPORTANT INFORMATION - PLEASE READ

This kit contains media for Gilbarco® Passport® V8.02 and V8.06. To determine which version to install, read the following:

Note: Passport systems ordered from Gilbarco as BP® branded are factory-imaged with V8.02.

Summary of Differences

Following is the summary of differences between Gilbarco Passport V8.02 and V8.06 for BP units:

- Gilbarco Passport V8.06 supports BP's Pump Rewards program.
- Gilbarco Passport V8.02 supports third-party "Generic" Loyalty.

Which Version to Install?

Install Passport V8.06 if,

- The site does not support a third-party Loyalty program and does not plan to support third-party Loyalty program before 12/31/2013.

~OR~

- The site has agreed to discontinue the use of their third-party Loyalty program in favor of BP Pump Rewards program.

Install Passport V8.02 if,

- The site plans to support a third-party Loyalty program.

~OR~

- Neither of the circumstances for V8.06 mentioned above applies.
