

**GASBOY® EXPORT WARRANTY POLICY
(LIMITED WARRANTY)
NEW PRODUCT WARRANTY**

**GASBOY GUARANTEES NEW SERVICE STATION EQUIPMENT MANUFACTURED BY GASBOY
IN ACCORDANCE WITH THE PROVISIONS STATED BELOW:**

Gasboy® will supply new or rebuilt parts to replace parts, which in normal use, are found to be defective in materials or workmanship during the warranty period, subject to the following:

- Gasboy Warranty service must be performed by a trained, certified contractor for this warranty to be honored.
- Export/Import fees and duties are not covered by this warranty. Labor and travel costs are not covered by this warranty.
- Parts returned to Gasboy must be shipped with transportation charges paid and will be replaced with parts with transportation charges and duties prepaid by Gasboy.
- Only an authorized Gasboy Distributor using MDE-4610 Gasboy Export Warranty Parts Replacement Form shall submit Gasboy Warranty Claims.

Commercial Pumps and Dispensers

Commercial and Retail Pumps and Dispensers are warranted against defects in material and workmanship for 18 months from date of original invoice, from Gasboy.

Exclusions: This warranty excludes hose breakaways, nozzles, hoses and fittings, nozzle-end swivels, retriever cables, graphics materials specified by the customer, fuel filters, belt adjustments, meter calibration, fluorescent lamps, vapor recovery testing and balance system piping, customer-specified items manufactured by others, and customer-requested reprogramming of equipment. Their manufacturer may warrant some of these excluded items, and warranty claims in connection with these items should be presented directly to the manufacturer.

Pressure Regulators

Pressure Regulators (Model 52A valve) are warranted against defects in material and workmanship for 18 months from date of original invoice from Gasboy.

New Spare Parts and Kits

New Gasboy-manufactured spare parts and kits are warranted against defects in material and workmanship for 18 months from date of original invoice from Gasboy.

Exclusions: This warranty excludes hose breakaways, nozzles, hoses and fittings, nozzle-end swivels, retriever cables, graphics materials specified by the customer, fuel filters, belt adjustments, meter calibration, fluorescent lamps, vapor recovery testing and balance system piping, customer-specified items manufactured by others, and customer-requested reprogramming of equipment. Their manufacturer may warrant some excluded items. Warranty claims in connection with these items should be presented directly to the manufacturer.

Keytrol®

The Keytrol is warranted against defects in material and workmanship for 18 months from date of original invoice from Gasboy.

Fuel Management Systems

CFN® PLUS, CFN/Profit Point, Islander™ PLUS, ICR PLUS, TopKAT™, TopKAT PLUS, Fuel Truck Controller, and factory-installed Fuel Point® Reader are warranted against defects in material and workmanship for 18 months from date of original invoice from Gasboy.

Standalone and Retrofit Fuel Point Readers, and Fuel Point and Fuel Point PLUS vehicle and dispenser components are warranted against defects in material and workmanship for 18 months from date of original invoice from Gasboy.

The warranty for field-installed/retrofitted Fuel Point Readers is non-transferable. The removal and installation of such components into another pump/dispenser will void the warranty.

Fuel Management Peripherals

Peripherals (PLUS Wireless Gateway Terminals, PLUS Wireless Programmer, Mifare POD Reader, Modems, CRTs, Flat Screen, Scanner, PIN Pad, Customer Display) are warranted against defects in material and workmanship for 18 months from date of original invoice from Gasboy.

Printers (Logger, Receipt, and so on) are warranted against defects in material and workmanship for 6 months from date of original invoice from Gasboy.

Peripherals (Encoders and Embossers) are warranted against defects in material and workmanship for 6 months from date of original invoice from Gasboy.

PC Software Products, including Fleet Head Office software, are warranted against defects in material and workmanship for 90 days from the date of installation. The warranty coverage is for parts only.

General Exclusions

1. Problems caused by faulty installation are not covered by this warranty. This warranty applies only if equipment has been installed and used in accordance with Gasboy Installation, Operating and Service Instructions. Problems caused by improper maintenance of equipment are not covered by this warranty.
2. Use of service personnel other than qualified Gasboy service providers, without prior approval of the Gasboy Warranty Administration Department will void payment of the warranty claim in question.
3. Damage suffered by Gasboy equipment resulting from shipping, accident, power surges, neglect, misuse, act of Nature, or abuse is not covered by this warranty.
4. Use of non-Gasboy replacement parts, defects caused by the unauthorized addition of non-Gasboy items to Gasboy equipment or by the unauthorized alteration of Gasboy equipment voids this warranty.
5. **THIS WARRANTY DOES NOT COVER ANY INDIRECT DAMAGES OR LOSS OF PRODUCT OR REVENUE.** Repair or replacement of the defective part or component under the terms of this warranty is the **EXCLUSIVE REMEDY**. Gasboy is not liable for incidental, consequential or indirect damages or losses of any kind, including without limitation: personal injury, death, property damage, environmental damages, product damages, loss of product, theft of product, loss of revenue or profits, business interruption, or any other business or commercial loss. Gasboy is not liable for any claims or lawsuits asserted against our customers or any claims or lawsuits related to the unlawful or fraudulent use of our products.
6. This warranty does not cover any pump or dispenser components that come in contact with Biodiesel (21% or greater), E85, M85 or fuels containing more than 5% methanol or 10% ethanol or 15% MTBE by Volume, unless the units are specifically, originally built for use with these special fuels. Notwithstanding the foregoing, beginning with units built on April 1, 2008, Gasboy pump or dispenser components will be warranted for use with ethanol fuels up to E15.
7. Atlas™ E85 dispensers (models 9872KX series) are approved for use with ethanol fuel blends up to E85 (85% ethanol) and are suitable for use with Biodiesel fuels up to B100.
8. Diesel Exhaust Fluid (DEF) dispensers (models 9862KX) or the DEF hydraulic components within a dispenser are intended for approved DEF only, and therefore are not warranted for use with any other fluid or fuel. All DEF must meet applicable API standards. Use of any fluid(s) other than API-approved DEF will void this warranty.
9. Atlas DEF warm weather dispensers (models 9862KX-WW) without an internal heater are not approved for use in ambient temperatures below +12 °F, and are not warranted for any damage or failure caused by freezing DEF.

THE WARRANTY CONTAINED HEREIN IS EXCLUSIVE AND THERE ARE NO OTHER EXPRESSED, IMPLIED OR STATUTORY WARRANTIES. WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY EXCLUDED.
